

School vaccination programme for students in years 1 and 2 of primary school and years 1 and 2 of secondary school

Declaration of parent or carer's consent

Detailed information on the combined booster or refresher vaccinations can be found in the information booklet "Information on school vaccinations for parents and students".

The vaccinations will only be given if the following items are available: the original vaccination certificate or an up-to-date printout of the electronic vaccination certificate and your statement of consent (YES and signature).

→ If you do not want your child to receive a vaccination at the present time, we can provide you with the opportunity to review your child's vaccination certificate.

We do not want to our child to be immunised at the moment but would be happy to receive a vaccination recommendation.

Date of vaccination programme:

By stating YES, you are agreeing that we will vaccinated your son or daughter in line with the current Swiss Vaccination Plan and will only do this if required.
