

COSY COPD and Sexuality

Let's start the communication!*

Important:

Ask EVERYONE, irrespective of their age, gender, the severity of their COPD or their sexual orientation, about limitations in their sex lives and how motivated they are to change the situation. Record the extent of the limitation (at least once a year).

Introduction: Raising the issue and requesting permission to discuss it

"We haven't spoken about your sexuality yet, have we?"

I understand, and other people affected by COPD report, that coughing, mucus and shortness of breath can result in limitations that may have a negative impact on sexuality. Perhaps this is the same for you.

Is there anything else standing in the way of you enjoying a fulfilling sex life?"

"Would you like to talk to me about it?"

Record the limitation

«On a scale of 0-10, to what extent is your sex life limited (0 = not at all, 1-3 = slightly, 4-7 = fairly, 8-10 = severely) by your ...
