For more information on the combined catch-up or booster vaccinations, please refer to the information brochure "Information on school vaccinations for parents and pupils".

Data protection is an important concern for us. We collect and record data only for the specified purpose. Detailed information on how the Aargau Lung Association processes your personal data and what rights you are entitled to can be found in our privacy policy on our website.

Vaccinations will only be carried out if the **original vaccination card is available** and you have given your **consent (YES and signature)**.

Date of vaccination campaign:

With a "YES" you agree that we may vaccinate your daughter/son according to the Swiss vaccination schedule, should a vaccination be necessary. The vaccination certificates will be checked by at least 2 specialists. Accordingly, you do not need to seek clarification from your pediatrician or family doctor beforehand. If we do not vaccinate your child, all vaccinations have already been carried out by your doctor.
